Office Action and official response deadline - Canadian Application No. 3,215,487

Dear Mr. Leclerc:

This letter, dated 2026-05-19, forwards the first Office Action with Search Report issued by the Canadian Intellectual Property Office on 2026-05-14 for Canadian Patent Application No. 3,215,487, owned by Ferroline Energy Storage Inc.

The examiner has requested a response addressing the pending claims. We have intentionally limited this report to the procedural status of the case; a detailed assessment and any proposed claim amendments will follow only if you authorize that work.

The official response deadline calculated from the Office Action issue date is 2026-09-14. We recommend treating that date as firm unless a different date is confirmed by the Office.

Please provide your instructions by 2026-08-24 so that the response can be prepared and approved before the official deadline.

Yours truly,

Amelia Grant
Registered Patent Agent | Northgate IP Partners Inc.
