Brief report: Notice of Preliminary Rejection - Application No. 10-2025-0067812

Dear Dr. Park,

By this letter of 8 September 2026, we report that the Korean Intellectual Property Office issued a Notice of Preliminary Rejection on 3 September 2026 concerning Korean Patent Application No. 10-2025-0067812 in the name of Neovanta BioSystems Co., Ltd.

The notice sets out preliminary objections to the pending claims. At this stage, we are forwarding the notice for your review and have not prepared detailed amendments or substantive arguments. We will do so after receiving your preferred approach.

A response must be filed no later than 3 November 2026. If additional time is required, we can confirm the extension options available under current Korean practice.

To keep the matter on schedule, please provide your instructions by 13 October 2026.

Yours sincerely,

Soo-min Han
